ALLIES & ORGANIZATIONS

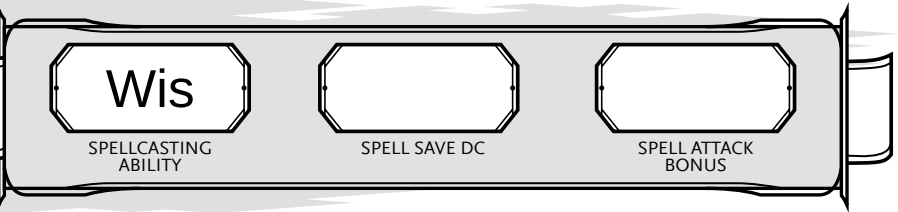

When he was a little boy his father was a Rimekin that had an affair with a Flamekin. The world saw him as bastard who should be shunned. His own father wouldn't love him, and frequently ridiculed and beat him into submission. He vowed that he would take revenge against those who wronged him. He sought to rid the world of the Flamekin, and restore the Rimekin to their proper place, above everyone else. He found the monks of the Order of Long Death, seeking to destroy his enemies efficiently through the study of death. He now has the training to destroy his enemies and add their power to himself. For the glory of the Rimekin, the true Rulers of Faerun!
